"All of a sudden everyone is a champion of free speech," Paul said this morning. He explained that the Legion is not sponsoring Wallace, although he is appearing at its banquet. The Rear Adm. Frank A. Brandley, commandant of the 11th Naval District, put a stop to it Friday.

The girls can dance at the enlisted men's clubs in the evenings, but a spokesman for Brandley said they won't be permitted at lunchtime.

Michigan Vets Get \$151 Million In '66

There was a state convention of veterans of the Spanish American War (1898) in Lansing last Monday and 12 veterans attended.

Leo Leggett, service officer of the Michigan Department of the American Legion, mentioned today as the Upper Peninsula Association of Legion Posts and Auxiliary Units gathered in Escanaba in 47th.

There are 1,100,000 war veterans living in Michigan out of a population of more than 8 million and last year 179,000 of them drew a total of \$151,341,000 in compensation for wartime injuries and illness and in pensions from the Veterans Administration.

VA Benefits

In addition, Robert M. Fitzgerald, manager of the Detroit regional (Michigan) office of the Veterans Administration, reported that 11,500 Michigan war veterans are in training under the new Veterans Training Bill, about 77.7 per cent of them in institutions of higher education. And 900 sons and daughters of servicemen who have died or have been disabled are being assisted and 312 seriously disabled veterans are being rehabilitated. The Detroit VA office is rated best in the area and one of five best in the nation.

Veterans of the Spanish American War (there are 308 such vets or dependents living in Michigan and getting benefits), World War I, World War II, the Korean War and Vietnam war are getting VA benefits. The greatest number from any one war are from World II because of the numbers involved in that conflict and the age of its survivors.

The Legion helps all veterans to process claims for compensation or pensions, whether they're members or not, said Leggett, and it maintains Richard Morrison of Escanaba as a

field man serving veterans in claims actions in the Upper Peninsula.

Veterans Benefits
Besides compensation and pensions veterans can get aid in home buying and in education. More and more are using educational assistance and a great boom is expected when the Veterans of Vietnam come home in large numbers because they are the youngest servicemen who have fought for America and many haven't

Varnum Backs Slow Time Plan For Peninsula

Rep. Charles H. Varnum (R-Manistique) today said of comments regarding Daylight Time and the Upper Peninsula: "Newspaper headlines down here in Lansing have been screaming about 'revolt' and 'open-rebellion' in the Upper Peninsula over the Daylight Time issue."

"I want to let all the people of the U. P. know they have a firm supporter in the Legislature. I'm in full agreement that the Upper Peninsula should stand its ground and abide by the time that is most convenient for our people and our economy."

"It is totally untrue that the U. P. is engaged in any kind of revolt against the rest of the state."

"Attorney General Kelley has issued informal opinions that the U. P. should observe Eastern Daylight Time instead of Central Daylight Time. "I would remind Attorney General Kelley that Michigan switched to Daylight Time because of the opinion of petition signers. The will of the people of the Lower Peninsula caused the switch, and if the will of the people of the U. P. calls for Central Daylight Time, they have that option under federal law."

had a whack at higher education yet.

Vietnam veterans, unless injured or diseased under hazardous duty conditions, are eligible for only 80 per cent of the top wartime rate for benefits at present. They are eligible under the Veterans Education Act, but not for on-the-job training, on-the-farm training or flight training. President Johnson has asked full wartime benefits for Vietnam veterans. Full disability base benefit is \$300 a month and maximum is \$850.

Leggett said that the Legion processes more VA claims than any veterans organization in the nation; has power of attorney in 26.8 per cent of VA claims cases, and brought \$19 million in veterans benefits to Michigan in the past year. (All veterans organizations offer similar services.)

Upper Peninsula Resolutions

Sportsmen's Clubs Seek River Pollution Control

Resolutions running the gamut from pollution control to deer season opening dates have been submitted by Upper Peninsula sportsmen's organizations for consideration at the annual meeting of the Michigan United Conservation Clubs.

The MUCC will hold its 30th annual convention in downtown Manistee June 22-24.

Nearly a score of resolutions have been filed by four Upper Peninsula groups affiliated with MUCC.

The resolutions call for:

- Reinstating bobcat and fox bounties in the Upper Peninsula and retaining the coyote bounty. (Submitted by the Ottawa Sportsmen's Club of Houghton and Baraga Counties.)
- Making an all-out effort to inform MUCC members and citizens at large of "the harm that would be done to an American heritage and the constitutional right to own and bear arms" if Congress passes anti-firearms legislation. (Ottawa Sportsmen's Club.)
- Requesting the MUCC to "take action necessary to stop pollution" of the Escanaba River by Forsyth Township and the Gwinns School. (Delta County Sportsmen's Club. Action along these lines already has been initiated. Judge Bernard H. Davidson of Negaunee granted a summary judgment in Marquette County Circuit Court to the State of Michigan last month ordering Forsyth Township to begin construction of sewage treatment facilities not later than June 1, 1968. The facilities must be in operation not later than April 15, 1969, according to his order.)

- Giving the Michigan Conservation Department control and management of natural resources. (Delta County Sportsmen's Club.)
- A more liberal agreement with Wisconsin on use of boundary waters. (Iron County Sportsmen's Club.)
- Support for the Federal Water Quality Act of 1965. (Rock Community Sportsmen's Club.)
- A study of the Escanaba River below Boney Falls dam and reverting back to the planting of rainbow and brown trout there. (Delta County Sportsmen's Club.)
- Surveys of streams in the Little Bay de Noc area by the conservation department to determine the feasibility of salmon plantings and making the plantings at an early date if the streams are found suitable for this purpose. (Delta County Sportsmen's Club.)
- Empowering the conservation commission to restrict the number of commercial fishermen in Michigan waters. (Rock Community Sportsmen's Club.)
- Opening the migratory bird season concurrently with the opening of the Wisconsin season. (Iron County Sportsmen's Club.)
- Limiting bear hunting with dogs in the Upper Peninsula to "periods not beyond the month of September." (Delta County Sportsmen's Club.)
- Halting the shooting of does and fawns and allowing hunters to harvest only bucks with antlers three inches or longer. (Iron County Sportsmen's Club.)
- Revising the camp deer law to permit a party of four or more to obtain a permit to take a deer of any species, the license fee not to exceed \$10. (Rock Community Sportsmen's Club.)
- Opening the deer season statewide on the Saturday

Angelo Heads State AP

GAYLORD (AP) — A man who decided in high school that journalism offered a great challenge and a chance to become a constructive force in society became president Friday of the Michigan Associated Press Editorial Association.

He is 52-year-old Frank Angelo, managing editor of The Detroit Free Press.

And the honor was accorded him by some 90 Michigan editors and publishers who view the Free Press, Michigan's only morning daily, as a major rival. The others represent the afternoon newspaper field.

Angelo succeeds Editor Dan Ryan of The Kalamazoo Gazette as president and was elevated from vice president at the association's annual two-day meeting at nearby Hidden Valley Resort.

Dave Hayhow, publisher of The Dowagiac Daily News, was elected vice president. Hayhow's father, Ted, publisher of the Hillsdale Daily News, was association president in 1962-63.

New President Angelo might have ended up a doctor. He thought about medicine as a career, "but I was lousy in science and chemistry, so I looked for something else—in a field where I figured I could be of meaningful service to people."

He chose journalism "because a newspaper can be a critical and vital instrument in society." He added: "I've never been disappointed. It still is as exciting and stimulating as I thought it would be."

The son of Italian immigrant parents, whose father found work at Ford Motor Co., Angelo made his journalism decision while attending Detroit Northeastern High School.

REFLEX ACTION

When they are startled, many mammals flatten their ears and close or narrow their eyes. This is a reflex action to protect the sense organs from injury.

DAVE HAYHOW, right, newly elected vice president of the Michigan Associated Press Editorial Association, exchanges greetings with new President Frank Angelo, center, as outgoing president Dan Ryan looks on. Hayhow is publisher of the Dowagiac Daily News. Angelo is managing editor of the Detroit Free Press and Ryan is editor of the Kalamazoo Gazette. Elections were held at the association's annual meeting in Gaylord Friday. (AP Wirephoto)

Michael Ruotsala Is Recipient Of ROTC Grant

MADISON — Cadet Michael G. Ruotsala, son of Mr. and Mrs. Sulo Ruotsala of Rock, has been selected for an Air Force Reserve Officers Training Corps (AFROTC) financial assistance grant at the University of Wisconsin at Madison.

The grant will be effective with the beginning of the fall term.

The cadet was among 1,400 third-year selectees from 153 of the nation's leading colleges and universities. The majority of grants went to third-year students in the AFROTC program, with a few announced for highly qualified fourth-year students.

Criteria for selection included a cumulative grade average of at least 2.5 on a 4.0 scale, high scores on the Air Force qualifying test, and high personal and moral standards.

Each grant covers the tuition costs, laboratory expenses, incidental fees and an allowance for textbooks. The recipients also receive an additional \$50 per month.

Cadet Ruotsala is a 1965 graduate of Rock High School, where he was valedictorian of his graduating class. He was captain of his football team and lettered in basketball and track.

In Service

Radaman Seaman William L. Sheedlo, USN, son of Mr. and Mrs. William E. Sheedlo of 1328 N. 18th St., Escanaba, returned to Long Beach, Calif., aboard the destroyer USS McKean after spending more than six months in the Western Pacific as a member of the U.S. Seventh Fleet.

While with the Seventh Fleet, the destroyer served as a search and rescue destroyer in the Gulf of Tonkin. The destroyer fired over 4,000 rounds of 5-inch .38 caliber ammunition in support of allied forces in Vietnam.

Sunday Liquor Bill Is Tabled

LANSING (AP) — The House kept its Sunday liquor bill alive Friday as its supporters, lacking the votes to pass it, succeeded in putting it on the table. A tabled measure remains eligible for consideration whenever a majority votes to return to it.

Advocates of the controversial Senate-passed bill first voted against the tabling motion but then—as the votes were being counted—apparently decided it was the best development they could get and switched their votes to aye.

They had wanted to move the measure into a House-Senate Conference Committee, hoping to have the needed votes when the conference report came back next week.

The bill allows county supervisors to legalize, without voter approval, liquor by the glass on Sunday afternoons in establishments which get more than half their gross receipts from "food or other goods and services."

4-H's Discuss Teen Citizenship

FAST LANSING (AP)—Some 1,200 Michigan 4-H'ers are discussing "teen citizenship" this week as they attend the 49th annual 4-H Club Week at Michigan State University.

The conference ends today. Morley Fraser, head football coach at Albion College, spoke to the young people Thursday.

Commendation

Rep. D. J. Jacobetti (D-Negaunee) has introduced a resolution in the Michigan Legislature commending Dr. Edgar L. Harden, president of Northern Michigan University, who has announced that he will resign and step down Oct. 31.

Of the 8,000 newspapers produced every day throughout the world, the United States has the largest total circulation, but the United Kingdom has the highest daily circulation per 1,000 inhabitants.

LaBrasseur Wins Fellowship From Mott Foundation

Richard J. LaBrasseur of Grand Blanc, Mich., whose parents are Mr. and Mrs. Clayton LaBrasseur of Nahma, is one of 52 educators from throughout the United States selected to participate in the Mott Foundation Inter-University Clinical Preparation Program for Educational Leadership in Flint.

Known as "Mott Interns," participants are selected from among 800 applicants from college faculties, school administrators and outstanding teachers. The 12-month program combines classroom study in one of seven of Michigan's state universities with practical experience in Flint's community schools.

The program is financed by an annual grant of \$500,000 from the Flint-based Mott Foundation. The internship program provides a fellowship of \$5,000 for Master's degree candidates and \$8,000 for candidates for the specialist and doctoral degrees. Under terms of the fellowship, interns are required to live in Flint for the one-year period.

LaBrasseur is enrolled at Western University, Kalamazoo, in curriculum development and coordination. He is a graduate of Holy Name High School (1961) and of the University of Michigan, Ann Arbor.

Two Hurt In Street Crashes

Two persons were injured in traffic mishaps on Escanaba streets Friday afternoon, one a pedestrian and the other a bike rider, city police report.

Miss Susan Wagner, 26, of 1109 2nd Ave. S., was hurt when she walked into the path of a motorcycle in the 800 block, Ludington St., at 1:30 p.m. Friday.

Officers said the motorcycle was driven by Michael J. Taylor, 20, of 1107 Stephenson Ave., who attempted to stop to avoid the accident but skidded sideways into Miss Wagner.

Miss Wagner was taken to St. Francis Hospital, treated and released.

James P. Hughes Jr., 21, of Gladstone Rte. 1, suffered a cut on the head and a bruised knee when the bike he was riding collided with a truck driven by Louis P. Nelson, 1028 N. 18th St., at 5th Ave. S. and 14th St., at 3:13 p.m. Friday.

He was treated at St. Francis Hospital, and was released this morning.

Briefly Told

The Delta County Sportmen's Club was broken into Thursday night, it was reported to Escanaba police. Officers said that the door was forced open, a pay phone ripped from the wall, and the kitchen ransacked.

Traffic court tickets have been issued by Escanaba police to Gloria Jean Rogers, Wells no registration and no proof of insurance; and to Larry G. Lewis, 1108 Sheridan Road, no operator's license on person.

Mr. and Mrs. William Goodman will be special guests at the Salvation Army at the 7:30 p.m. gospel service on Sunday. They will be taking part in the Operational Mobilization Crusade sponsored by "Send The Light, Inc." Mr. Goodman, who is originally from this area, will show the shoes and tape pertaining to this work. The Corps singing band will also present musical selections. The public is invited.

Washington Cathedral in Washington, D.C., will offer special prayers for the State of Michigan on Sunday, June 25, at its morning worship service.

The prayers will be said in recognition of the support given to the Cathedral by the Michigan chapters of the National Cathedral Association (NCA), an organization of Cathedral friends. NCA chairman for the Diocese of Michigan is Mrs. Harold A. Beatty, 189 McKinley Road, Grosse Pointe Farms.

Although staffed by Episcopal clergy, the Cathedral is not supported financially by the Episcopal Church or by any other religious denomination or official institution. It depends on gifts and legacies of persons from every walk of life throughout the country.

As "A House of Prayer for All People," the Cathedral is visited by more than a half-million worshippers and tourists of all denominations each year.

Since the laying of the foundation stone in 1907, construction has proceeded on a "pay-as-you-go" basis. Work was stopped five times as money ran out. Under a new plan, however, the structure is scheduled to be completed by 1985 — if an average of \$1 million can be raised each year to finance the work. When finished, the Cathedral will be the sixth largest church in the world and may be expected to stand 2,000 years without major repair.

THE CHURCH IS THE GREATEST FACTOR on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Oldest Baseball Trick Pays Off For Chico Ruiz

By The Associated Press

The way Chico Ruiz was sneaking up behind John Roseboro, you'd have thought the National League's best-dressed benchwarmer was wearing his \$20 alligator shoes.

And watching Ruiz race down the first base line with the first Cincinnati hit off Los Angeles' Bill Singer in the sixth inning of Friday night's game, you'd have been convinced of it.

Ruiz beat out an infield single for Cincinnati's first hit and woke up the Reds with baseball's oldest ruse—the hidden ball trick—sparking a 3-2 victory over the Dodgers.

In other National League action Chicago shaded New York 4-3 in 10 innings, Atlanta nipped Houston 9-8 in 10 innings, Philadelphia dropped Pittsburgh 5-3 and St. Louis took San Francisco 3-0.

Ruiz purchased his alligator shoes last winter while playing in the Venezuelan League.

The Reds' No. 1 handyman, explains his expensive footwear simply. "You sit on the bench, you have to look pretty."

He didn't look so pretty to Roseboro in the second inning Friday night. Ruiz, playing second base, had just taken the throw at first, covering on Singer's sacrifice.

Chico carried the ball with him as he returned to second and before Roseboro knew what was happening, Ruiz played tag, you're out.

Four innings later, the Reds still didn't have a hit. With two out, Leo Cardenas was hit by a pitched ball and Singer balked him to second. Then Ruiz tapped a ball to third and beat it out for a single.

He promptly stole second and then rode home with Cardenas on Vada Pinson's single. The Dodgers tied it in the bottom of the sixth but Lee May's seventh inning homer put the Reds on top to stay.

Mel Queen hurled a four-hitter for his eighth victory in nine decisions. May's homer was his fourth and Ruiz' hidden ball trick his first.

Adolpho Phillips, who smashed four home runs against the Mets in a doubleheader Sunday, was Chicago's hero again.

This time he cracked a three-run homer in the fifth inning and then ignited the Cubs' winning rally in the 10th when he walked, stole second and went to third on a bad throw. He scored on John Boccabella's sacrifice fly.

Sonny Jackson's two-base error on Hank Aaron's leadoff grounder in the 10th led to Atlanta's winning run against Houston. The Astros had wiped

out an early 8-3 Brave lead mostly on the hitting of Jim Wynn, who drove in three runs with a single and his 15th homer.

The homer was Wynn's fourth in two nights and seventh in the last eight games. He took over the National League runs batted in lead with 46.

Clete Boyer, Mack Jones, Tito Francona and Denis Menke had three hits apiece for the Braves.

Rich Allen, on a tear with 13 hits in his last 27 swings, led the Phillies past the Pirates. He smashed a triple and a home run, driving in two runs and scoring twice.

Larry Jackson went the distance, allowing eight hits for his fourth victory.

Two-run singles by Mike Shannon and Julian Javier keyed a four-run Cardinal first inning against the Giants, who dropped their third straight. St. Louis has won three in a row and eight of the last nine.

Golf's Big Three Charge Into Open Tourney Lead

SPRINGFIELD, N.J. (AP)—Arnold Palmer, Jack Nicklaus and Billy Casper.

Like cream, the three superstars of the game moved to the top in the most prestigious of all the world's golf tournaments, the United States Open Championship, and are poised for the final two climactic rounds today and Sunday.

Palmer, his jaw jutting in determination and his game in harness, looked like the charger of old when he swept over the steamy Baltusrol Golf Club course in a two-under-par 68 Friday for 137 and a one-stroke lead over Nicklaus.

Big Jack, the sweat streaming from his pink face, pounded out a 67 on the sweltering, 7,015 yard layout for 138. He was one stroke up on Casper, the first of the trio in the clubhouse, and appeared unconcerned about the

heat. Palmer, Casper or anyone else.

The cautious Casper, who beat Palmer in a playoff for the title last year after Arnie's now-famous collapse, took a careful, par 70 for 139 and declined to make a comment.

"I'd rather wait and see what

the other guys do," the two-time champion said.

Behind him, at 140 came reed-slim Bruce Devlin of Australia, who had a solid 68; rookie pro Deane Beman, who had a 71, and Marty Fleckman, a 73, year-old amateur from Port Arthur, Tex., who led the first round with 67, then went to 73. Don January was alone at 69-72-141.

Today's pairings have Nicklaus and Palmer as the last two some away. Casper plays against Devlin and Beman against Fleckman.

Both of the last two rounds are scheduled for national television coverage over ABC. Today's round will be televised from 5:30-7 p. m., EDT, and the final round from 5-7 p. m. Sunday.

In all, 66 of the original field of 150 survived the cut to the low 60 and ties. It took a 148 to

Escanaba has been selected as the site of the U. P. Babe Ruth baseball tournament for 1967 according to word received from John Bonovetz, district 8 director. Teams from Ironwood, Bessemer, Iron Mountain, Ishpeming, Marquette and Calumet are expected to enter along with Escanaba.

All tournament action will take place at the Babe Ruth field on South 14th Street on July 7, 8 and 9. Tournament manager will be Erwood Slade who will be assisted by the following officers of the local Babe Ruth league: Roland Collins, president; Jim Hall, vice-president; Bob Jensen, secretary; and Paul Vardigan, treasurer.

Fred Gravelle, Tom O'Neil, Harold Johnson, John Hjort, Joe Young, Ray Robitaille and Allen Erickson will make up the protest board. Gravelle will also assume score-keeping chores along with Jerry Cventos.

President Collins will be in charge of concessions and Jensen has accepted the task of arranging housing for the visiting teams. Anyone who can in any way help to uphold Escanaba's reputation as a good host city is asked to call Jensen at ST6-5403.

The early tournament dates make it necessary to move up the annual Babe Ruth Tag Day to June 30 and July 1. Purchasers of tags will be admitted to all tournament games on displaying their tag to tourney officials.

Wayne Schwalbach's brilliant one hit effort matched his previous start when he shut out the Eagles 10 to 0, but free transportation to five Lions led to his eventual downfall. Earlier in the week his stablemate Mark Irving spun a neat two-hitter as Rotary handed the Bankers their first loss of the season 8 to 1. Irving who had tossed back to back no hitters in his two previous starts saw his string end when Jim Moran, Banker clean-up hitter, reach him for a single and a home run.

Other veteran pitchers came through as expected when Jim Moberg picked up his second win of the season as Kiwanis topped Eagles 6 to 4. Dave Taylor and Brian Douglas

earned their first wins of the season when VFW raked Kiwanis 11 to 1 and Credit Union beat the Eagles 5 to 4.

The Lions prepared for next week's three game schedule by sending rookie Don Klemman to the hill against the Eagles.

Klemman came through by limiting the Birds to four hits as his team coasted to a 12 to 1 victory. The outcome of Monday's key game between the Bankers and Lion will probably determine which team draws Jim Moberg of Kiwanis Manager Ken Peterson with three tough games ahead of him hasn't found a running mate for his ace, but with Moberg on the hill Kiwanis is as tough as any team in the league.

As teams reached the mid-season mark batting averages continued to drop. Young and Jordan topped the league averages with .473 and .470 while Young, Irving and Dave Nelson had 3 and 0 pitching records.

Schedule
Saturday 6:00 — VFW at Rotary.
Monday 5:30 — Bankers at Lions, Rotary at Eagles.
Tuesday 6:00 — Bankers at Kiwanis.
Wednesday 5:30 — VFW at Credit Union, Lions at Kiwanis.
Thursday 5:30 — Credit Union at VFW, Eagles at Lions.

The Lions Little Leaguers moved into undisputed possession of first place on the strong right arm of Jeff Young by beating Rotary 4 to 3 Thursday night. Last year's dormat, this year's Cinderella team got off to a shaky start that saw Rotary score three runs in the first inning on a hit, an error and a hit batsman, but Young & Co. kept picking away at the Rotary lead until the fifth inning when Young scored the deciding run on a walk, two stolen bases and passed ball.

Wayne Schwalbach's brilliant one hit effort matched his previous start when he shut out the Eagles 10 to 0, but free transportation to five Lions led to his eventual downfall. Earlier in the week his stablemate Mark Irving spun a neat two-hitter as Rotary handed the Bankers their first loss of the season 8 to 1. Irving who had tossed back to back no hitters in his two previous starts saw his string end when Jim Moran, Banker clean-up hitter, reach him for a single and a home run.

Former Mate Beats Birds

By The Associated Press

Woodie Held, an old Oriole with new wings, has come straight home to roost, and the feathers are flying in Hank Bauer's not-so-cozy nest.

Held dealt from Baltimore to California Thursday, smacked a game-winning home run in the first game and a two-run homer in the second Friday night, powering the Angels to a 2-1, 5-3 doubleheader sweep over the Orioles.

"I didn't want to leave the guys in Baltimore—they're a great bunch," said the 35-year-old Held, sent to the Angels for pitcher Marcelino Lopez before Friday morning's trading deadline. "But I should get to play more with California."

"You get old sitting on the bench. In fact, I'm old already."

The sweep extended the Angels' winning streak to five games and gave them 10 victories in their last 11. The double setback stretched Baltimore's losing string to five and dropped the defending American League champions into a tie for sixth place.

Last-place Washington edged

Boston twice, 1-0 and 4-3, while Cleveland nipped Minnesota 2-1 in 10 innings in the only other AL games played. A scheduled doubleheader between Kansas City and Detroit and a single game between the New York Yankees and the Chicago White Sox were rained out.

Held, a utility infielder-outfielder who had gone hitless in his last 22 at-bats for the Orioles, got into Friday night's opener as a second inning replacement for shortstop Jim Feros, who complained of muscle spasms in his back.

After striking out and singling in his first two trips to the plate, Held led off the ninth with a shot into the left field bleachers off left-hander Pete Richert, snapping a 1-1 deadlock.

"Nobody said anything to me when I was running around the bases," he said. "I didn't smile, somebody might hit me in the nose."

In the second game, Held's second homer of the night, and third of the year, staked right-hander Jim McGlothin to a 2-0 lead. Jose Cardenal also hit a two-run homer as the Angels moved ahead 5-0, but a two-run Baltimore burst in the fifth chased McGlothin.

Rookie Ken Turner then blanked the Orioles until the ninth, when Frank Robinson unloaded his 19th homer.

The Senators started their sweep over Boston behind right-hander Bob Priddy, who blanked the Red Sox for seven innings in his first AL start and squeeze-bunted a run across in the third inning. Dave Baldwin replaced Priddy in the eighth and completed the shutout.

Trailing 3-0 in the ninth inning of the nightcap, Washington closed the gap on run-scoring singles by Frank Howard and Ken McMullen. The Senators tied the score on a bases-loaded throwing error by third baseman Joe Foy, then won it when McMullen beat first baseman George Scott's throw to the plate on a grounder by pinch hitter Paul Casanova.

The Indians broke a 1-1 tie in the 10th when Larry Brown singled, took second on Max Alvis' infield hit and scored on Chuck Hinton's single.

Right-hander Luis Tiant went all the way for the Indians, scattering eight hits—including a sixth-inning homer by rookie Rod Carew, who has hit safely in 15 straight games.

Casper was bland as ever, and as colorless as the oatmeal he can't eat. He picked up a birdie on the second hole, stumbled to two bogeys on the back nine, then got even again on 17.

"I liked my round," Palmer said. "I hit every green but one and I missed a few fairways. I had several chances for birdies that failed to fall. But, in all, I liked it."

Sprint Winner Most Unhappy

PROVO, Utah (AP)—An unhappy winner and a remorseful loser showed their class in the NCAA Track and Field Championships Friday night, while Southern California began building a solid lead in team competition.

The 46th annual meet ends tonight with finals in 14 events. The unhappy winner was Charlie Greene of Nebraska, who proved his class by winning his third straight NCAA 100-yard dash championship. He did it by beating back a challenge from Southern California sophomore Lennox Miller, who matched him until the final 30 yards.

Greene was clocked in 9.2 seconds. But he questioned the time. He said he felt he ran faster than he did Thursday night, when he tied the world record of 9.1 in a qualifying heat.

"I'd just like to see who got what time," Greene snapped. "It's the little things that have thrown me all my career—just the hairline stuff. But I don't worry about it any more."

Buckpasser Can Match Citation

NEW YORK (AP) — Buckpasser, at 4-years-of age the youngest equine millionaire, tries today for his 16th straight victory—a feat that has not been accomplished since Citation completed such a string 17 years ago.

But much more than a 16th successive victory and first money of \$36,010 hinges on the outcome of Buckpasser's performance in the 1 1/4-mile Bowling Green Handicap at Aqueduct.

Buckpasser's chief reason for being in the Bowling Green is that it is run on the grass. Although he has raced 27 times for a record of 24 victories, two seconds and earnings of \$1,342,204, the Ogden Phipps' colt never has raced on the turf.

Making Buckpasser's task today even more difficult is the presence of Assagai, the 1966 grass course champion, in the field of five. Under 135 pounds, the most he ever has carried and one more than he'll carry in the Prix de St. Cloud, the son of Tom Fool-Busanda will give eight pounds to A-sagai from C. W. Engelhard's Cragwood Stable.

Susie Maxwell Paces Golfers

MILWAUKEE, Wis. (AP) — Susie Maxwell, using a time-tempered putter and some fresh advice, has powered her way to a three-stroke lead in the 54-hole Milwaukee Jaycee Open Golf Tournament with a first-round score of 68.

The former varsity golfer at Oklahoma City University used a putter she owned back in her college days as she registered four birdies and 14 pars Friday.

One of her 30 pars was a 40-footer.

Closest to Miss Maxwell was Gloria Ehret of Danbury, Conn., who shot a 34-37=71.

Sports In Brief

SPRINGFIELD, N. J. (AP) — Jim Picard of Tam O'Shanter in Bloomfield Hills, Mich., had an 80-77-157 and failed to qualify for today's third round of the U. S. Open Golf Championship.

MILWAUKEE, Wis. (AP) — Sharon Miller of Little Creek, Mich., a second-year professional and Jimmy Kneiball of Sutton, Mass., were tied for third place with 72s going into today's second round of the Milwaukee Jaycee Golf Tournament. Susie Maxwell, a 25-year-old Oklahoma, led with a 64 followed by Gloria Ehret of Danbury, Conn., with 71.

BIG RAPIDS (AP) — Bob Leach has been named head football coach at Ferris State College.

The 35-year-old Leach, who was head coach at Flint C. High School for the past seven years, takes over at Ferris July 1.

He succeeds Sam Ketchman, who resigned as head football coach and athletic director two months ago, while remaining on the staff as an instructor.

Tiger Tales

DETROIT (AP) — Notes & Quotes:

The fates were against the Detroit-Kansas City doubleheader Friday night. Kansas City, delayed by mechanical problems with its chartered airliner, didn't arrive at Tiger Stadium until a half hour after the first game was to start at 6 p.m.

A torrential downpour, backed by high winds and hail, soaked the outfield to the point where the ground crew had difficulty finding the drain covers.

The wind ripped team pennants around the top of the stadium to shreds, prompting one baseball writer to quip: "Egyptian battle flags."

The Tigers said the other game of Friday's postponed doubleheader will be made up when the Athletics return to Detroit in September.

"We got two doubleheaders before Monday," said Mayo Smith. "We couldn't fit it in this weekend."

Outfielder Wally Moon, who set a new record for an old muscle injury in his left leg Wednesday, but said he is ready to play two games.

"While hurt the leg when he made a diving catch Wednesday night," said Smith. "But he'll be able to play."

'It's Just Great!'

Kathy On Tour With Orchestra Visits Expo '67

By MARY KNOLL

Kathy Gilstrap, Escanaba's only representative at Interlochen Arts Academy, was honored in early May for being the only female member of the French Horn section of the Interlochen Orchestra.

Her musical talent was again recognized when she was chosen as one of the 108 Interlochen musicians to participate in a three-day concert tour which ended in Montreal, at the site of the fabulous Expo '67. The Interlochen orchestra was the only Michigan ensemble at Expo.

Kathy, the daughter of Mr. and Mrs. Norris Gilstrap of 1115 7th Ave. S., entered Interlochen as a regular student at the beginning of 10th grade.

The 108 musicians who made the concert tour were chosen on the basis of weekly competition, in which the students themselves judged the winner of challenge matches. There are 140 students in the entire band.

Played For Romney

The tour orchestra left Interlochen on May 9 for concerts at Bellevue and Ashtabula, Ohio, flew east for a concert at Boston University, and concluded the tour with concerts during the Michigan Rendezvous at Montreal's Expo '67 on May 14 and 15. A special band concert was also given to celebrate the arrival of Michigan's Governor Romney.

In between concerts and practices, Kathy found time for sight-seeing. After visiting many of the pavilions, including those of America, Africa, Russia, Germany, and England, she decided that the German Pavilion was her favorite.

"It was built similar to a huge tent, a movie on Germany was running, famous German dances and songs were played and sang, and products from the country were on display," Kathy reported. "I liked the African pavilions too, with all of the arts and crafts objects," she added. Kathy had a hard time choosing favorites. "They were all just fabulous," she said.

Better Understanding

Although Kathy "just loved" all the pavilions, she found the souvenir shops just as much, if not more, interesting. "There was a souvenir shop representing just about every country," Kathy noted. "Although I didn't buy a darned thing, I spent most of my time just looking at everything in the shops."

By going to Expo, Kathy thinks she gained a lot. "By visiting the different pavilions and displays I found I could understand many foreign na-

tionalities better; it broadened by vision of different cultures; I met a lot of interesting people; in all, it was just a great experience." "My French got a good workout too!" she added, and explained, "That was the only language the cool Canadian boys could speak." Mrs. Gilstrap feels Kathy gained "expensive taste."

"It's the kind of thing you can tell people to go to, and really mean it," Kathy claims. "It was all a lot of fun, everything I saw was just great, but I didn't have enough time to see all I wanted to see," Kathy said. I want to go again and stay longer."

Munising Silver Echoes, Crystal Falls Chrysalises, Ishpeming Blue Notes and Ontonagon Mountaineers. Exhibiting guests will be the famed Racine Boy Scout Drum & Bugle Corps.

Oral LaCombe, Sault Ste. Marie, U. P. adjutant, reported that the Association had \$306 in its treasury with all bills paid; Dave Rahm, Iron Mountain, said the Legion Junior baseball program was swinging with 6 teams in District 11 and 8 in District 12; George McGowan, Iron Mountain, said that the Veterans Administration Volunteer Service has \$178 in its treasury after a busy year of service to hospitalized veterans.

Ed Ahlgren, Rock, urged Legionnaires to attend military funerals, whether or not the deceased is a Legionnaire, as veteran turnout has dropped drastically.

Court Asked To Bar Arrest Lag, And Picketing

(Continued From Page 1)

Police Officers Association agreed to submit the matter to a fact-finder.

The DPOA insisted that recommendations of the fact finder be made binding, but the city refused.

Report Wives Sick

In another development, it was reported that wives of policemen were becoming affected by the "blue flu," a description for the wave of illness that prompted 323 policemen to report sick Thursday and 343 more Friday.

The authorized strength of the force is 4,700.

Five of 20 officers due in at the Motor Traffic Bureau at 6 p.m. Friday called to ask for emergency leave because of sick wives.

Examinations by city doctors for officers reporting sick had been ordered by the city. But the city could not order them to have their wives examined.

Wayne County Circuit Judge Thomas J. Foley, a former attorney for the DPOA, Thursday night ordered the association to temporarily refrain from encouraging its members to stay off the job.

Inform Public

The DPOA says it has not ordered its men to stay home. DPOA President Carl Parsell said the injunction would not prohibit patrolmen from picketing precinct houses while not on duty "to inform the public" of the dispute.

Mayor Jerome P. Cavanagh, who was to be in Hawaii Friday for a meeting of the U.S. Conference of Mayors, which he heads, cancelled his trip when the running feud between his administration and the men on the beat flared up Thursday.

The rash of sick calls apparently started after Police Commissioner Ray Girardin ordered 42 veteran officers off their motorcycles, out of the scout cars and onto foot beats for not writing traffic tickets.

Want Pay Hike

Police started the ticket slowdown May 17 to protest Cavanagh's 1967-68 budget, which goes into effect July 1 and contains no provisions for police pay hikes.

A patrolman after five years service now makes \$8,335. Girardin reacted to the sick calls by suspending 61 men for neglect of duty, ordering police onto 12 hour shifts and canceling all leaves and furloughs.

Parsell told a meeting of some 750 policemen Friday night, "If you go down to the doctors office and the doctor says you are not sick, then go to work." Parsell emphasized to the men that he was "trying to be as careful as I can" in his advice to them.

Sign For Recall

He informed them of the court injunction and said, "We don't want anyone failing to perform his assigned duties during his tour of duty."

But Parsell, himself a patrolman, said, "We certainly don't want any man who is sick reporting for duty. We certainly don't want that."

Two tables with signature lists were set up at the doors of the meeting hall, and policemen entering were urged to "Sign the recall petition."

Councilwoman Mary Beck is gathering signatures to force a recall vote on Cavanagh, whom she charges with failing to curb Detroit's rising crime rate.

U.S. Official Backs U.P. In Time Squabble

WASHINGTON (AP)—Transportation Secretary Alan S. Boyd declared today that Michigan's Upper Peninsula "is officially located in the Central Time Zone."

In a ruling requested by Rep. Philip E. Ruppe, R-Mich., Boyd declared:

"During the period of advanced time, the time in the Upper Peninsula, under provisions of the Uniform Time Act, will be Central Daylight Time."

Despite the ruling, Boyd said his Transportation Department would not enforce Central Time in the U.P. until it has acted on a petition from Michigan Gov. George Romney and Atty. Gen. Frank Kelley.

The petition asks the Transportation Department to change the time zone boundary in Michigan so that the Upper Peninsula would be included in the Eastern Time Zone along with the rest of the state.

The Michigan Legislature voted to exempt the state from the Uniform Time Act of 1966, but a petition drive forced a referendum on the issue to be held in November, 1968. In the meantime, Michigan went on Eastern Daylight Time.

However, portions of the U.P. refused to go along with the rest of the state and continued to observe Central Daylight Time — or Eastern Standard Time even after the switch-over last Wednesday.

More people get more news from newspapers than all other sources combined.

AMONG LEADERS OF THE Legion in Escanaba for the 47th annual convention of the Upper Peninsula Association of Legion Posts and Auxiliaries are, from left: Ralph Olsen, commander of the Escanaba Post; Richard Morrison, Escanaba, Legion field service officer in the Upper Peninsula;

Leo Leggett, Detroit, state Legion service officer; Walter Belonga, St. Ignace, past U. P. commander; Kenneth J. Madden, Grand Rapids, department membership chairman; (Daily Press Photo)
